

WINE ENG 2024

14 AUGUST — BAROSSA VALLEY — 15 AUGUST

CONFERENCE - EXHIBITION - SITE VISITS

EXHIBITOR PROSPECTUS

WINE ENG 2024 is an excellent opportunity to promote your company and products. The event will attract winemakers, engineers, maintenance, operations, and management personnel from across the sector.

Conference speakers have been secured to present on topics that will draw attendees: Robotics and winery automation, electric forklifts, preservative-free winemaking, reducing CO₂ use and CO₂ capture from ferments, packaging technology, the future role of hydrogen in our economy, and much more.

The conference and trade show will be complemented by site visits to see technology in action, as well as a conference dinner including the popular Royal Flying Doctor Services fundraising raffle.

EXHIBITOR BOOTH: \$2,500

(See exhibition layout on page 3)
